#### Family Fee

The Family Fee Membership Fee was introduced last season to help assist in the overall operation expenses of the Club and the BC / ACA Insurance that is required for parents. Operation costs include items such as Club cabin maintenance, BWR social events, administration, Family Fun Day etc. The BC Alpine insurance is approximately \$60.

The Family Membership Fee will be adjusted to two amounts this season. Families who **only** have skiers that are between the ages of 5 – 8, will pay \$60. Families with **any** racers who are 9 years and older and, involved in the Acceleration programs and up, will pay \$120. This decision was made in consideration of the use of the Club Cabin and the greater amount of time and expenses allocated to the older skiers and their families.

**VOLUNTEER REQUIREMENT**

As part of the Big White Racers, a non-profit organization, all parents are required to volunteer in some of our fundraising activities. No experience or skiing ability is required for many of the activities; on the job training will be provided! Your participation in the club is necessary as it helps maintain our annual fees at the lowest rates possible and creates a community and team for our racers from the entry level Nancy Greene to our senior FIS members. With our members helping at on hill events, administration, fundraising etc our costs can be subsidized without the need to source out these special events and positions.

If you are unable (or choose not) to fulfill your volunteer duties, you are welcome to participate in our program that will minimize your expected volunteer commitment. If this is for you then you need to register your racer under the **Standard Registration Fee** guideline.

For families wishing to participate and take advantage of the Volunteer Discount you are agreeing to the volunteer requirements and your racer’s fees will be reduced accordingly.

If you agree to the terms but have not completed your volunteer commitment by May 1, 2012, additional fees will be applied to your credit card.

*Please note that the Ski Swap is mandatory for all racers E2(ages 9 & 10 and older). The expectation is that all our families help in some way with any of our host races.*
